## Review Summary - Annual Reporting

An overview of your department activity is provided on the Dashboard, within **Review Summary**. There are two columns of detail available, the left column, **Received / Under Review**, displaying categories of reports submitted and currently under review by the COI office. To the right, **Approved**, displaying reports that have been approved with the category they fall under.

As a reminder, these reports provide a retrospective accounting of an individual's outside activities in 2015. Because these activities have already taken place, should a department require an individual to make changes to their outside activities, any adjustments should be for future activities.

The screenshot shows the 'Review Summary' dashboard. At the top, there are three tabs: 'Annual Reports' (3/49), 'Disclosures' (3/3), and 'Prior Approval Requests' (2/4). Below the tabs, there are two main columns: 'Received / Under Review' and 'Approved / Finalized'. Under 'Received / Under Review', there are two rows: 'With disclosures' (3) and 'Without disclosures' (0). Under 'Approved / Finalized', there are two rows: 'With disclosures' (0) and 'Without disclosures' (49).
